WELCOME ABOARD!

Now that you have completed our membership application we would like to take a moment to welcome you, and read you in on the club so you are in the know about all the great benefits you will be receiving as a member.

Shortly after turning in this application and your dues you will receive an email with the password to the websites “Member’s Lounge” located at www.hbwoodturners.org. The “Member’s Lounge” will give you access to the meeting minutes, member discounts, and the members list. In the future the club may decide to add other features so it is good to check in often. Additionally, you will find a PDF version of our name badge in the “Member’s Lounge” that I encourage you to print out and bring with you to meetings. You can also opt to leave your badge with us so it will always be available for you. We have badge holders available by request that are included as part of your membership.

At each meeting we have an instant gallery that gives you the opportunity to bring in a turned item to show off, get critiques, or just plain old help with a problem. We encourage members to bring in these items and not be worried about your skill level. The club is comprised of members of all different skill levels. At the start of the meeting, before the instant gallery and demonstration, we conduct a small business meeting to go over club happenings as well as any other business that needs attending.

Message from the President:

“My hope is that you will find the club a place of learning as well as a place for camaraderie. I’m excited that you have decided to join, and look forward to the future of our club as we grow together. It is great to serve under such a great crowd of fellow turner’s.” ~ James M. Lee
